Personal identification information

We may collect personal identification information from Users in a variety of ways, including, but not limited to, when Users visit our site, register on the site, enter details, subscribe to any plan, respond to a survey, fill out a form, and in connection with other activities, services, features or resources we make available on our Site. Users may be asked for, as appropriate, name, email address, mailing address, phone number.

Non-personal identification information

We may collect non-personal identification information about Users whenever they interact with our Site. Non-personal identification information may include the browser name, the type of computer and technical information about Users means of connection to our Site, such as the operating system and the Internet service providers utilized and other similar information.

How we use collected information

We may collect and use Users personal information for the following purposes:

- - To improve customer service

Information you provide helps us respond to your customer service requests and support needs more efficiently.

- - To personalize user experience

We may use information in the aggregate to understand how our Users as a group use the services and resources provided on our Site.

- - To improve our Site

We may use feedback you provide to improve our products and services.

- - To process payments

We may use the information Users provide about themselves when placing an order only to provide service to that order. We do not share this information with outside parties except to the extent necessary to provide the service.

- - To run a promotion, contest, survey or other Site feature

To send User's information they agreed to receive about topics we think will be of interest to them.

- - To send periodic emails

We may use the email address to send User information and updates pertaining to their order. It may also be used to respond to their inquiries, questions, and/or other requests. If User decides to opt-in to our mailing list, they will receive emails that may include company news, updates, related product or service information, etc. If at any time the User would like to unsubscribe from receiving future emails, we include detailed unsubscribe instructions at the bottom of each email.

How we protect your information

We adopt appropriate data collection, storage and processing practices and security measures to protect against unauthorized access, alteration, disclosure or destruction of your personal information, username, password, transaction information and data stored on our Site.

Sharing personal information with your prior consent

We do not sell, trade, or rent Users personal identification information to others. We may share generic aggregated demographic information not linked to any personal identification information regarding visitors and users with our business partners, trusted affiliates for the purposes outlined above. We may use third party service providers to help us operate our business and the Site or administer activities on our behalf, such as sending out newsletters or surveys. We may share your information with these third parties for those limited purposes provided that you have given us your permission.

We may disclose Information

As required by law, such as similar legal process to enforce applicable ToU, including investigation of potential violations thereof when we believe in good faith that disclosure is necessary to protect our rights, protect your safety or the safety of others, investigate fraud, address security or technical issues or respond to a government request with our trusted services providers who work on our behalf, do not have an independent use of the information we disclose to them, and have agreed to adhere to the rules set forth in this Policy to protect against imminent harm to the rights, property or safety of the Application/Website/ Think and Learn Private Limited or its users or the public as required or permitted by law; with third party service providers in order to personalize the Application/Website/Services/products for a better user experience and to perform behavioural analysis.

How Long Do We Retain User Data?

Currently, we plan to retain user data while an account is active and for at least three years afterward. We may alter this practice according to legal and business requirements. For example, we may lengthen the retention period for some data if needed to comply with law or voluntary codes of conduct. Unless otherwise prohibited, we may shorten the retention period for some types of data if needed to free up storage space.

User communications

- When you send an email or other communication to us, we may retain those communications in order to process your inquiries, respond to your requests and improve our services.
- We also provide alerts or messages to groups via web/mobile app or SMS to the registered customers through your school/partners with Mittsure platform up to 10,000 SMS pack available on complementary basis (annually)

Web browser cookies

Our Site may use "cookies" to enhance User experience. User's web browser places cookies on their hard drive for record-keeping purposes and sometimes to track information about them. User may choose to set their web browser to refuse cookies, or to alert you when cookies are being sent. If they do so, note that some parts of the Site may not function properly.

Jurisdiction of court

The privacy policy along with Terms of Use shall be governed by the Laws of India. The Courts of law at Jaipur shall have exclusive jurisdiction over any disputes arising under the privacy policy along with Terms of Use.
